RE: Capital Restructuring Financing Program

Key Points:

- Awards totaling \$1.2 Billion over 7 Years
- DSRIP and Non-DSRIP Project Approval Methodology/Paths
- Application Deadline is December 22, 2014 by 3PM

Eligibility:

- PHL Section 2825[2][a] specifies eligible provider organizations, including Nursing Homes and D&T Centers (see Section 2 of the PDF Linked below)
- Preferred Eligibility Criteria includes:
 - Applicants committing matching funds to the proposed project;
 - Applicants with projects that demonstrate transformational change to the health care delivery system from a fee-for-service system to a value based system; and
 - Applicants who demonstrate significant financial need.

What may be funded:

1. Capital projects that support development of primary care service capacity (including primary care services co-located with outpatient behavioral health care services, consistent with any applicable Federal requirements);
2. Asset acquisitions;
3. Capital projects that support consolidation of service lines among providers;
4. Improvements to infrastructure;
5. Capital projects that support closures, mergers, and/or restructurings;
6. Capital projects that support development of tele-health infrastructure;
7. Capital projects that support development of coordinated co-located ambulatory care services including primary care, specialty care, surgery, urgent care, and diagnostic imaging;
8. Capital projects leading to integrated delivery systems that strengthen and protect continued access to essential health care services; and
9. Other transformational capital projects which further DSRIP Program Goals as described in Section I[B].

How to Apply:

- Process A Applications (mandatory process for DSRIP PPS participants) submit applications via their DSRIP PPS Lead
- Process B Applications (process for facilities who are not affiliated with a DSRIP PPS Project) submit applications directly to the Department of Health
